

Regina Music Festival Association 2016 “Celebrating Excellence”

Darke Hall, Conservatory of Performing Arts
2155 College Avenue, Regina, SK

May 13, 2016, 7:00 PM

Master of Ceremonies, Dianne Swanson

The Regina Music Festival Association depends heavily on the donations of various organizations within Regina and on the generosity of people like you to maintain its unbroken record of annual festivals. The Festival costs approximately \$60,000/year to put on. This includes the costs associated with hiring adjudicators, renting space, supplying instruments and equipment for performances, printing programs, operating the registration software, leasing of office space and all office supply costs. We receive only about 40% of this total from entry fees paid by participants. Entry fees are kept as low as possible to ensure the Festival is accessible to all. The balance of the budget comes from donations at the door, program sales, grants, and donations.

The RMFA sincerely thanks our sponsors and donors for their generous financial support and gifts in kind.
